3 dimensions

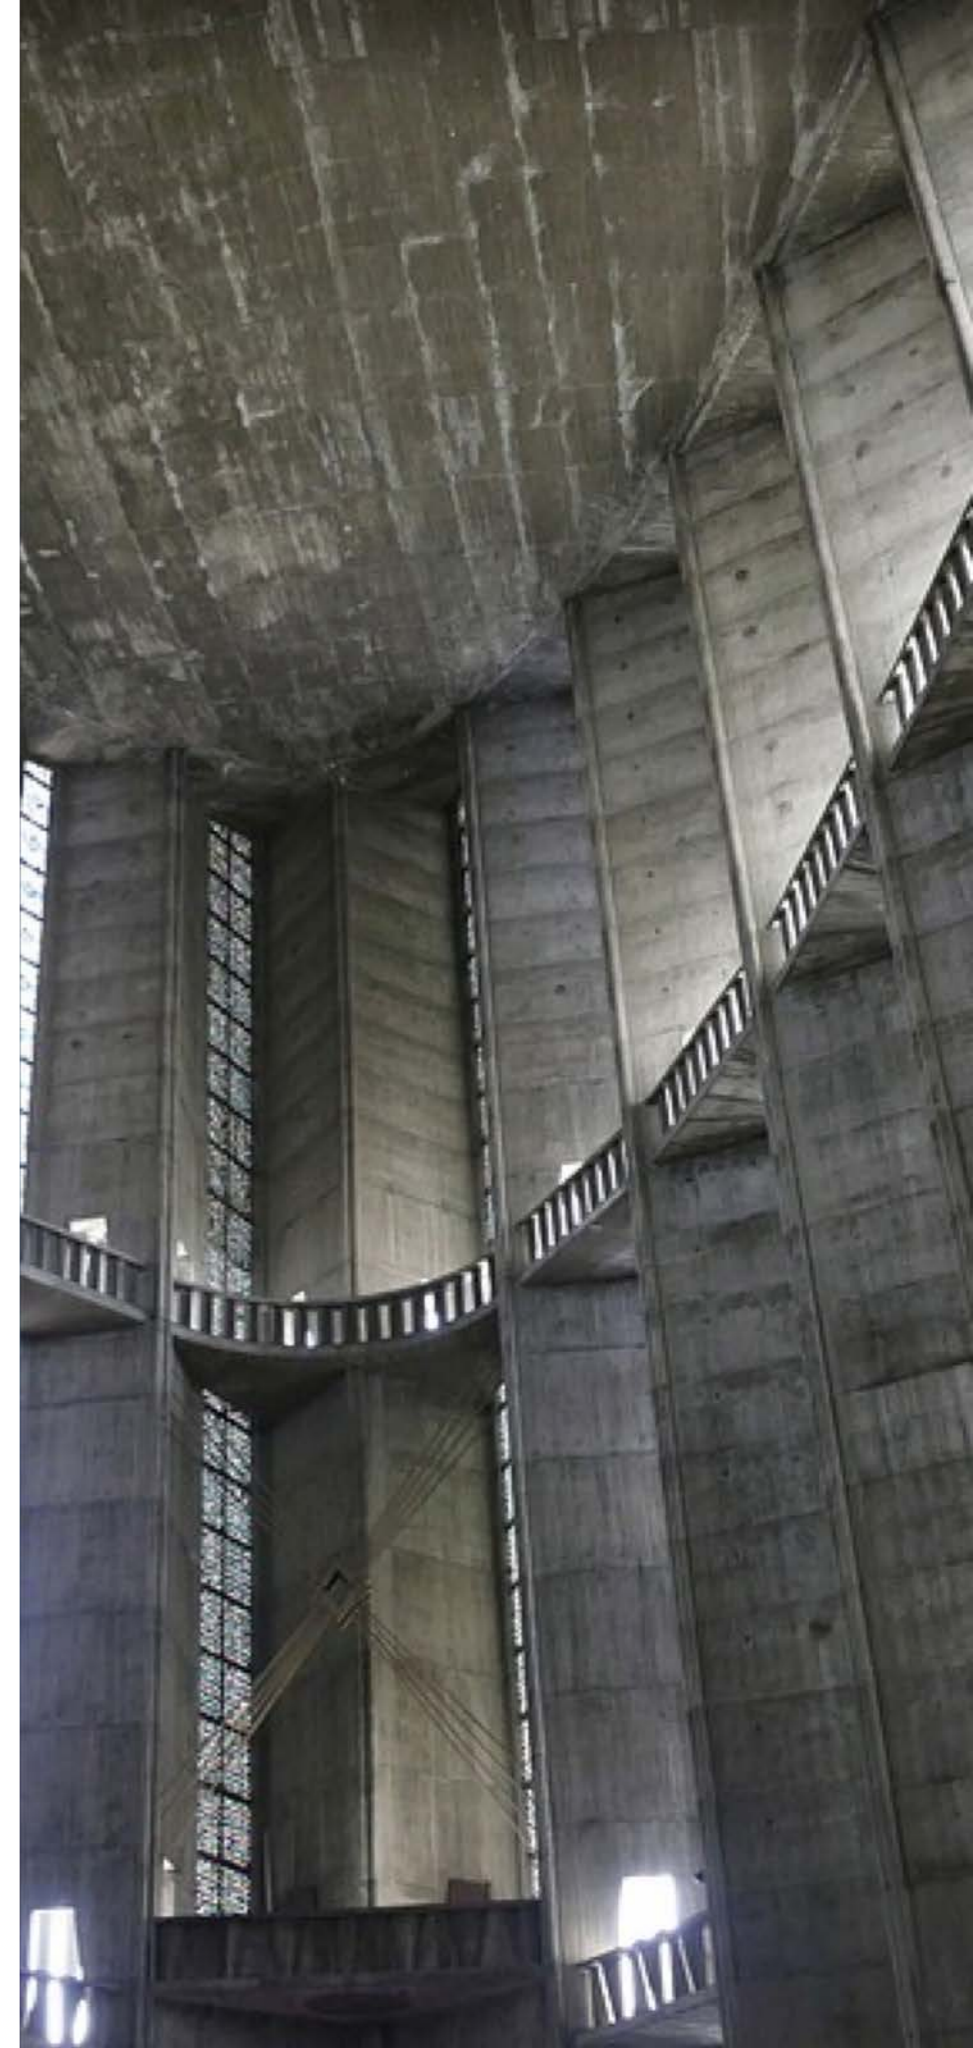

Conceptualize strategic university development with reference to

- KNOWLEDGE
- PROGRAMS
- BITS & ATOMS

University libraries position themselves within this matrix.

- They provide and curate subject matter as such.
- They publish materials and support students, faculty and study programs in physical and virtual space.

Anatomy & Physiology

Anatomi og fysiologi

HiOA - H16

Started - Aug 01, 2016

Hjertets elektriske ledningssystem

PPI

(1 point possible)
Hvilket utsagn om hjertets ledningssystem er riktig?

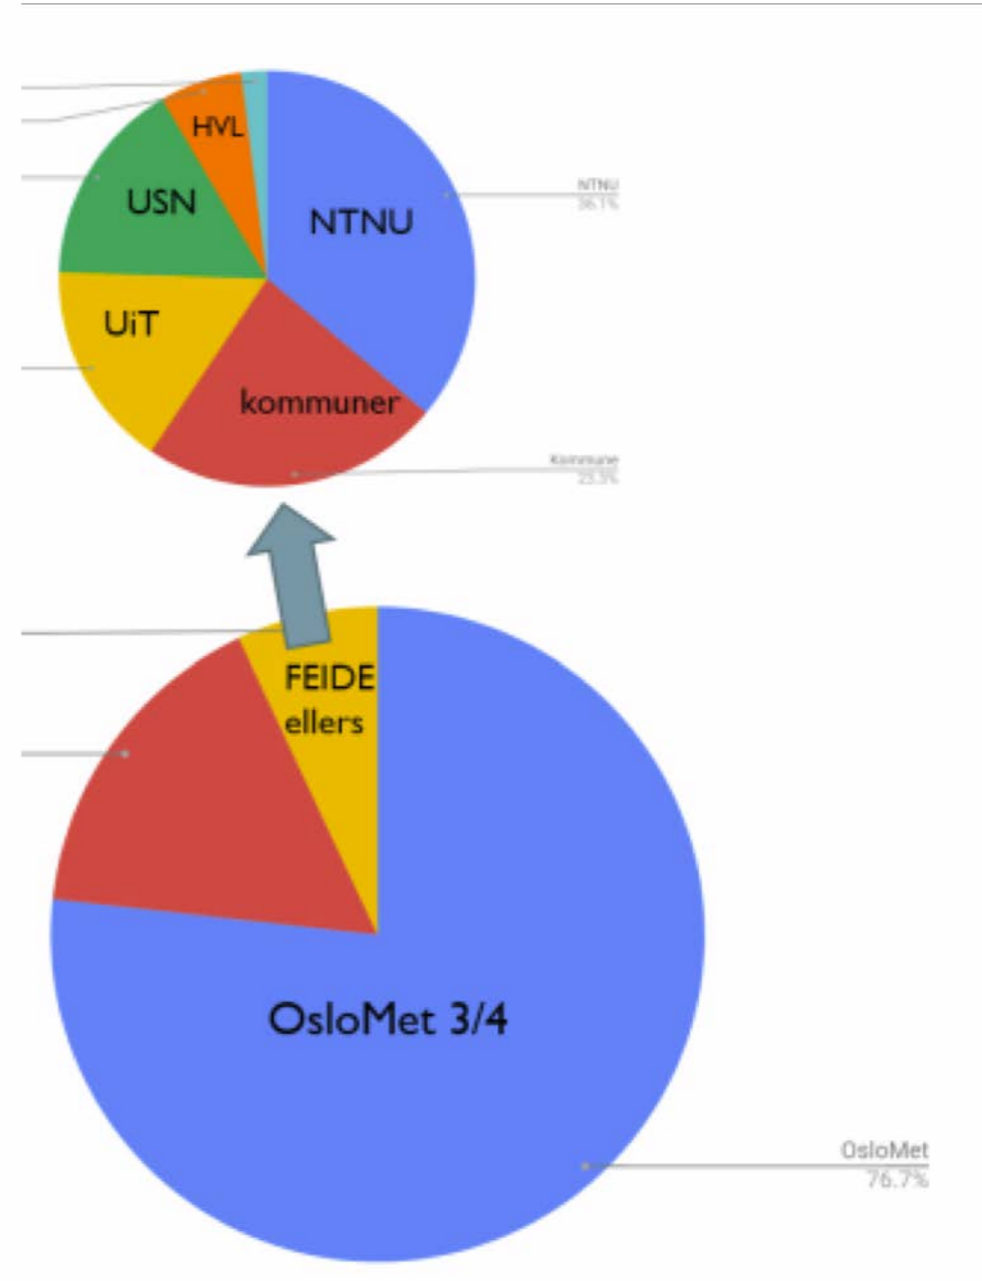

- Hjertefrekvensen styres av atrioventrikulærknuten (AV-knuten).
- I sinusknuten oppstår spontane elektriske impulser som tar «ledelsen» over de øvrige hjertemuskelcellene
- Den elektriske impulsen blir normalt sett ikke forsinket når den passerer gjennom AV-knuten.
- Impulsene i hjertet overføres fra atrier til ventriklér i sinusknuten.

Exam Results 2015-18

Excellence in Teaching

An imbalance between research and digital textbook development in the academic career system.

AdvanceHE

FELLOWSHIP STUDENT SUC

excellence in teaching and learning: A review of the literature for the academy

Excellence in teaching for the Higher Education

This report sets out to add

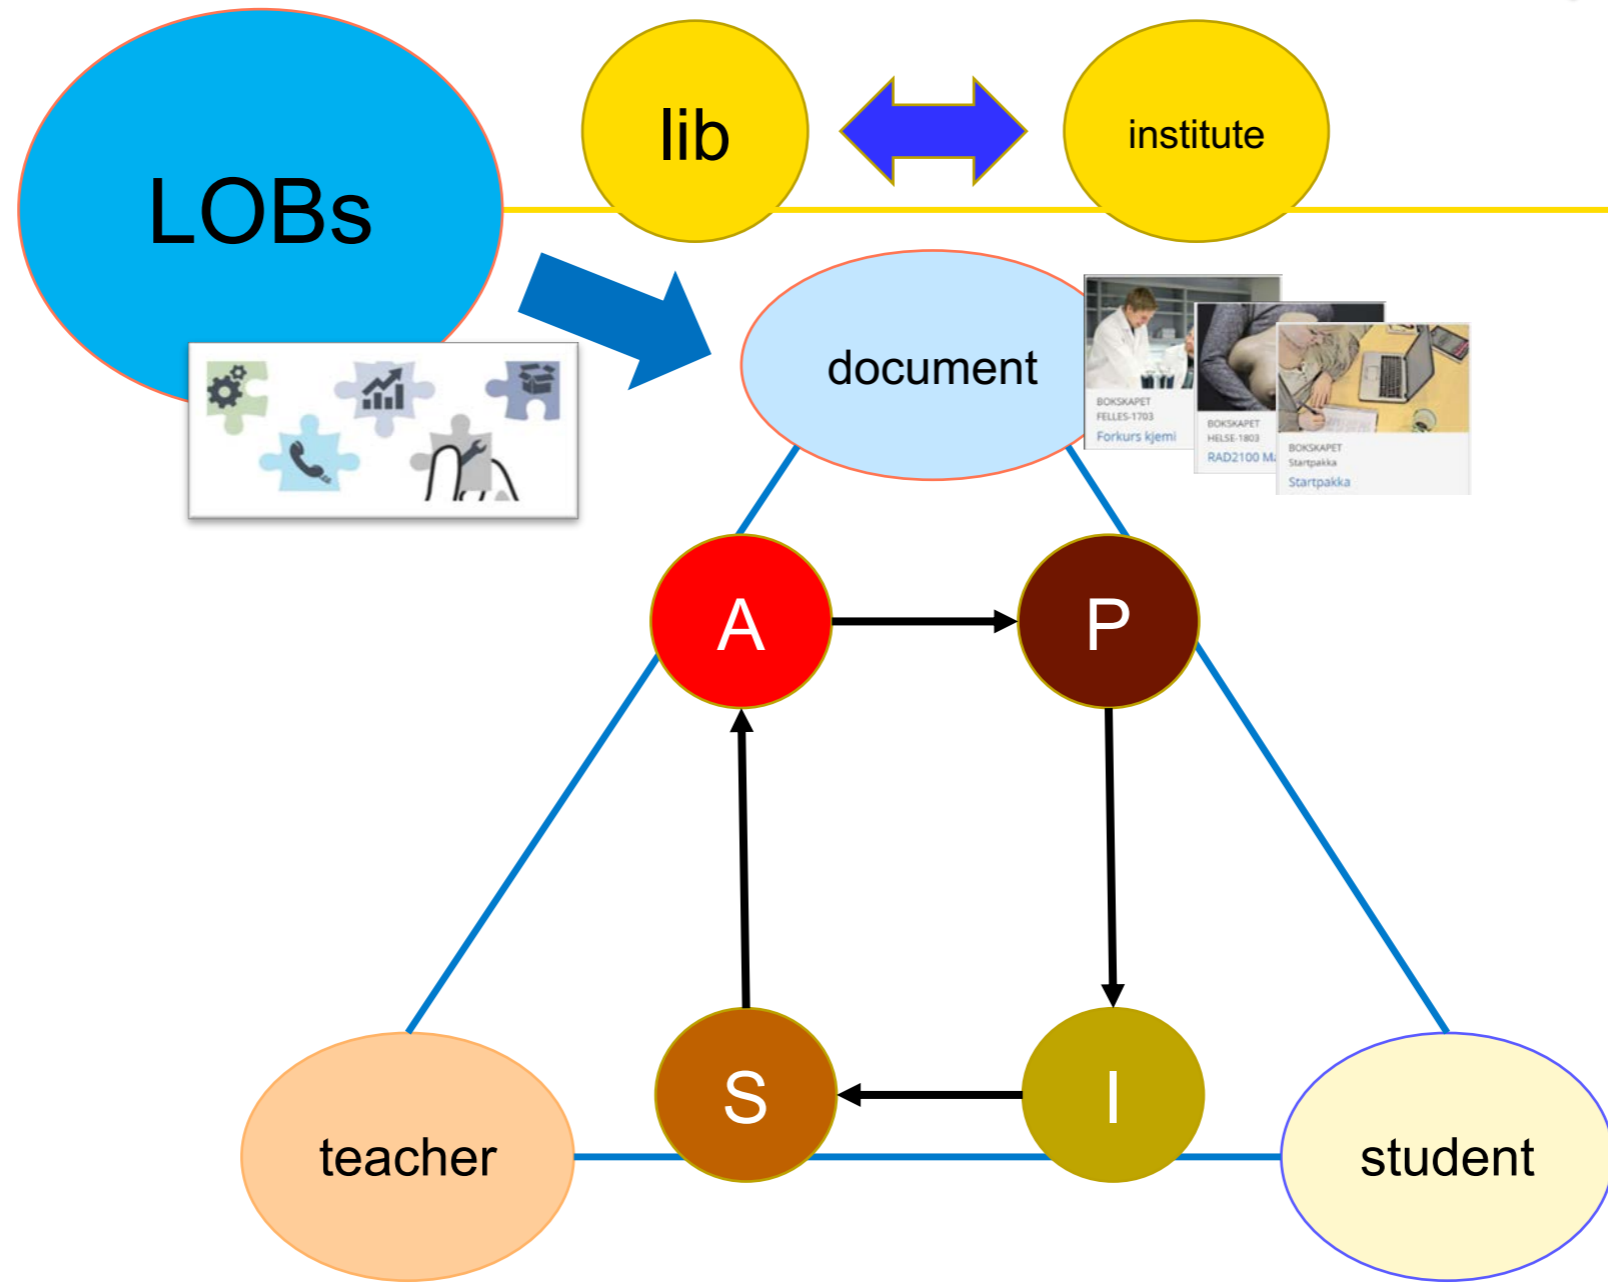

- How is the term 'excellence in teaching and the student' defined?
- What are the key conceptualisations of excellence in teaching and learning?
- What are the implications of usage and conceptualisations for future policy in relation to promoting or developing excellence?

Merittering av undervisere utlyses

OsloMet utlyser nå en ny ordning for merittering av fremragende undervisere. Les om hvem som kan søke, hvordan du søker og hva det innebærer å få status som merittert underviser.

Publishing

Bokskapet
The Book Shelf at
Oslo Metropolitan
University is a
publishing unit with
some similarities and
many differences
when compared to
traditional publishing
houses

2018:25 titles - 2028:??

Initially established as a project in 2013,
we have published 25 MOOCs.

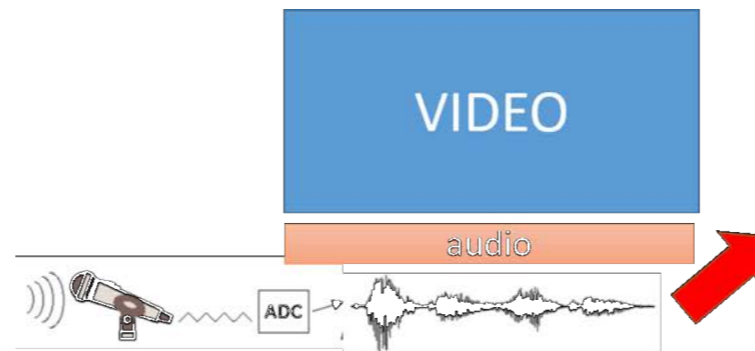

Using the Open edX platform from Harvard & MIT ++.

Outreach of 6.000 enrollments with students from the whole country.

A lively Editors Association.

Production

Virtualized production environments using cloud-based resources.

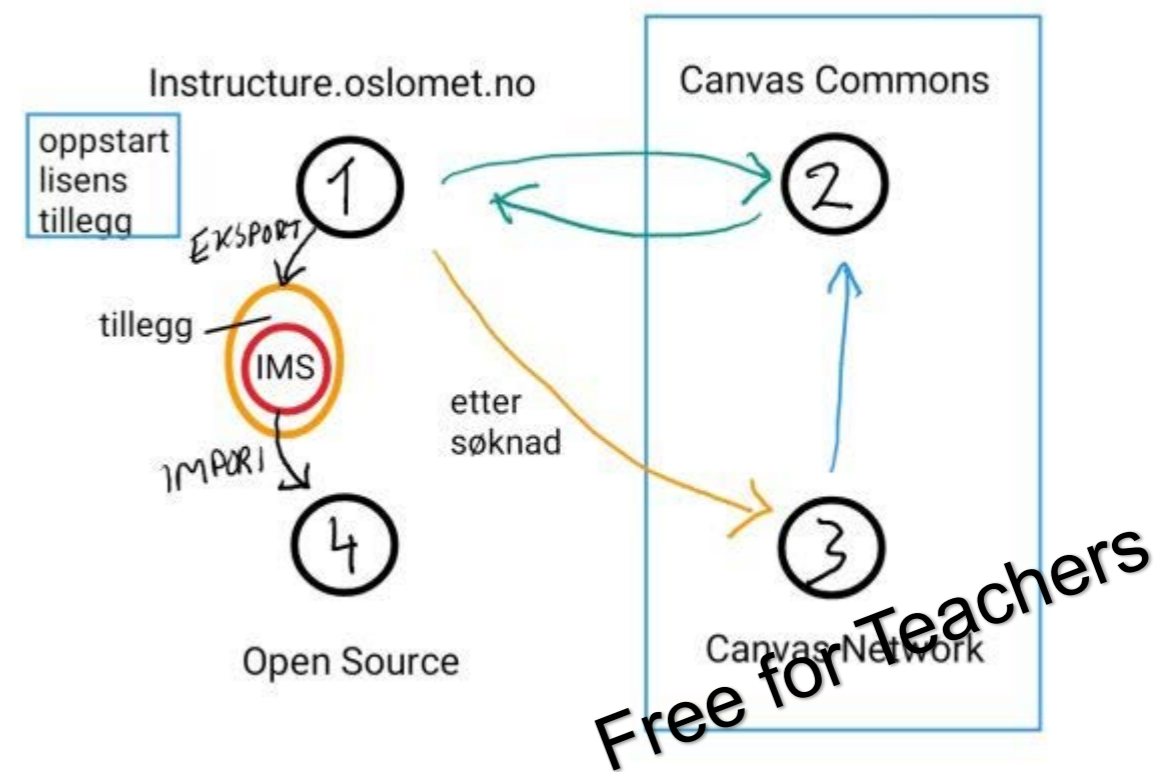

The vertebrae are divided into five regions and are numbered
 On the top by the neck we have the Cervical column which consists of 7 vertebra, numbered C1 to C7.
 Then we have the Thoracic spine which consists of 12 vertebra, numbered from Th1 to th12.

腰椎的下方是骶骨，是由人体的五块骶椎骨合成的一块骨
 骶椎的下方是尾椎骨，由4至5块小骨头组成
 当我们从侧面观察脊柱，可以看到脊柱有不同方向的弯曲
 脊柱前凸是指脊柱轻微的向前弯曲，脊柱后凸是指脊柱轻微的向后弯曲

SHARING – <http://deling.unit.no>

A repository of discrete digital components (learning objects) like short videos and animations, interactive questions and face-to-face interaction scripts

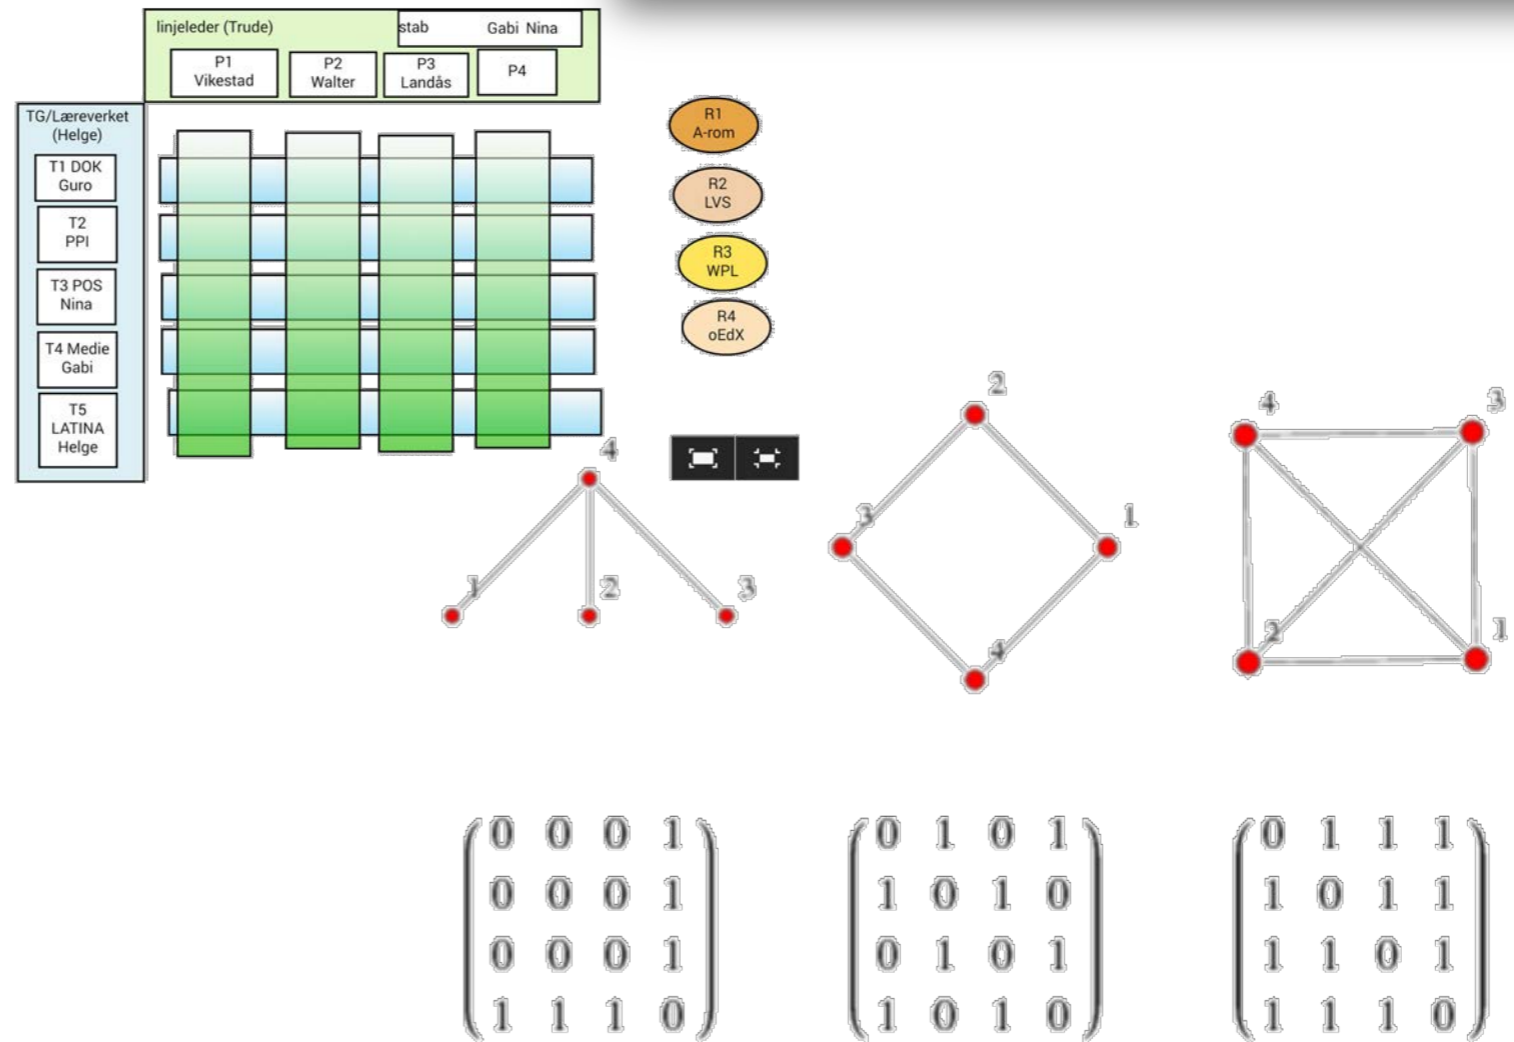

The screenshot displays the UNIT website interface. At the top, the 'UNIT' logo is on the left, and navigation options for font size (A A A) and language (English) are on the right, along with a 'Logg inn' button. Below the header is a search bar with the text 'Søk i ressurser' and a magnifying glass icon. Underneath the search bar, it indicates '1372 treff (1 ms)'. To the right of the search results are 'Filter' and 'Opprettet (synkende)' dropdown menus, and icons for grid and list views. The main content area shows a grid of ten learning objects, each with a thumbnail image and a caption below it:

- Ti viktige prinsipper i bokføringsloven (Thumbnail: A man speaking)
- Paradis (Wategos beach) (Thumbnail: A beach scene)
- Gaming, playstation (Thumbnail: A PlayStation controller)
- Smartklokke, iWatch, helseteknologi (Thumbnail: Three smartwatches)
- PET, CT, pasient (Thumbnail: A patient in a medical scanner)
- Blodprøver (Thumbnail: Test tubes in a rack)
- Gravid, røntgen, sykehus (Thumbnail: A pregnant woman in a hospital setting)
- Hotlab (Thumbnail: A person in a lab coat working in a laboratory)
- Intravenøs, hender og sprøyte (Thumbnail: Hands holding a syringe)
- Intravenøs væske (Thumbnail: An IV drip chamber)

Network. Action Learning.

Organized editorial and publication work principles based on the Network organizational model + Action Learning.
